Use of the Fire Pit is solely at the property manager's discretion, and they reserve the right to approve or decline its use at any time including withdrawing their permission once given.

It is imperative that a responsible person from your party is assigned and briefed prior to the use of the Fire Pit. That person is required to sign a release and indemnity form which will be supplied by the Property Manager. This person will also be responsible for control of the fire and its eventual termination. KVBR can provide firewood at an additional cost. Please contact KVBR for a quote. Should you bring your own firewood, only natural untreated wood can be burned.

(ii) The Swimming Pool

The swimming pool does not have a lifeguard. Children under 16 years of age must be supervised at all times. The pool will be locked at sunset. No glass is allowed within the pool area and failure to comply with this could result in cleaning fees to drain the pool.

We require that everyone who chooses to use this facility takes great care. The pool is shallow and diving or jumping is prohibited as it may result in serious injury. Intoxicated persons are not allowed to use this facility. KVBR does not accept any responsibility for accident or injury that may occur while using this facility.

2.5 Music Policy

Each function must adhere to both our music policy and the *Protection of the Environment Operations Act 1997 (POEO Act 1997)* which sets certain limits on noise emissions from musical instruments or amplified sound.

All musicians must be accredited by Management and sign our Accredited Vendor Terms prior to securing their services, please ensure that they are able to comply with the outlined policies.

Council policy restricts when amplified music can be played on our property. Amplified music is classified as any type of music played through any form of speaker, this includes but is not limited to, professional speakers, UE booms and phone speakers. The policy is valid for both live acts and for recorded music. This is our one and only major licence requirement on the property and it is strictly enforced. Heavy bass music is strictly not permitted on our property at anytime.

(i) The Function Area

Amplified music can be played within our Function Area on the condition that the noise is contained inside by ensuring the doors and windows remain closed. The amplified music must cease no later than Midnight on Friday and Saturday and 10pm on all the other nights. After that time you are allowed quiet acoustic music only (but no drums), so encourage your musical friends to pack a guitar! Failure to cease music at the allocated time will result in a loss of power in the Function Area.

There is a strict noise limit of 90db(A) in the Function Area at all times. It is measured and enforced by our noise limiter and also measured by our managers with a handheld decibel reader. If the venue managers find the music to be over the allowed decibels they will tell your musician to turn the volume down. Multiple volume breaches are a contravention of our license and may result in management ceasing the playing of any music of the remainder of the event.

Please note that our property has free wifi within the function area and limited phone signal. It is suggested that any musicians who usually stream songs pre download their playlists.

(ii) Music Outside

After 7pm, all amplified music (including all speakers of any size, even UE booms) must cease anywhere on the property apart from within the Function Area. If music is playing after this time outside of the area, we will ask for it to be turned off and have the right to confiscate the source of noise. While we are a beautiful bush property we do have close neighbours and must be respectful of them. We are not a music festival venue.

a. The Rock Cathedral and Sunset Deck

Amplified and acoustic music can be played here only for the duration of your wedding ceremony and cocktail hour and any rehearsals. Music must be under 70db and not be bass weighted. No music can be played in the Rock Cathedral other than the allotted times and must cease by 7pm should your event run past this time. The music/ speakers must be set up in the designated positions as outlined by management in the music policy.

b. The Pool, Games, Alfresco and General Areas

Boom Boxes, external portable speakers and any other form of amplified music, can only be used between the hours of 9am- 5pm with the approval of the Venue Manager. No commercial speakers can be used in this area. Music must be under 70db and not be bass weighted.

c. The Boma

Respectful and quiet acoustic only music can be played here all night long. Please encourage your friends to bring stringed instruments to enjoy around the firepit (no drums allowed). Strictly no amplified music including personal speakers are not permitted at any time. Should the venue managers find the noise to exceed an acceptable level the acoustic music privileges can be revoked.

2.6 The Function Area

In keeping with our noise regulation policy, the Function Area is available for use each day/evening until 10pm on Sunday and Weeknights and until midnight on Friday and Saturday nights.

2.7 Approved DA

We are an approved wedding venue and our Development Application is approved subject to strict conditions. We expect you and your guests will comply with the instructions from management to ensure you use the venue in accordance with those conditions. If however you or your guests breach these conditions, contrary to a direction from the Property Manager or contained within these Terms and Conditions, the Hirer indemnifies KVBR for all losses, claims, damages, costs and expenses including legal costs on a solicitor client basis, arising from a breach of the conditions by the Hirer and/or their guests.

2.8 Security Bond

We require a security bond of \$5,000 that will be preauthorised on your nominated credit card prior to your event. If any damage has occurred during your booking period, KVBR reserves the right to charge for any repairs/reinstatement/replacement to the damaged property from the bond, along with any additional cleaning required for property left in a poor state. A late checkout fee may be incurred at the Venue's discretion. Any claims against the bond will occur within 14 days of the conclusion of your booking. The preauthorisation will expire in line with your card issuer's policies.

2.9 Government Imposed Restrictions

Should a pandemic, or any other situation occur, whereby the Government or Local Authority imposes restrictions on weddings, KVBR and the Hirer must comply with these restrictions, the wedding and booking will proceed if the restrictions can be accommodated by KVBR. KVBR and the Hirer must work cooperatively to alter the services to allow the wedding to proceed to meet the restrictions which may include reducing the number of guests. The Hirer acknowledges that the closure to international or domestic borders is not a valid reason for a wedding to be rescheduled under this clause.

If the venue is unable to proceed due to specific imposed restrictions, then KVBR will work together with the Hirer to re-book the wedding to the next available date.

2.10 Accommodation

Our property has accommodation for 68 guests in 34 ensuite rooms which is included in the booking rate. The Hirer agrees not to exceed the maximum number of guests permitted to stay in the accommodation at the property. A camping village will be installed for 2025 weddings and, it will incur an additional charge, should you wish to make use of it.

2.11 Responsible People

2.12 Deliveries & Collections

Deliveries, installations and collection of any supplies or goods for your event must occur within your actual booking time and dates, on and from check in. As we are a busy wedding venue, we cannot accept any deliveries, installations or collections prior to you checking in on the booking date.

2.13 Inspections

KVBR may hold property inspections at any time in its discretion including during your booking. We are however mindful and respectful of guests in residence and shall ensure that inspections are discreet, and any disruptions are kept to a minimum.

2.14 Updates to Property

KVBR will, from time to time, continue to undertake upgrades and make improvements to the property, often in response to customer feedback or for safety purposes. As you will appreciate, we are not always able to predict the exact extent or duration of such works. Whilst we make every effort to keep our customers informed, we reserve the right to make changes without notice or penalty, even after confirmation of your booking.

2.15 Wedding Insurance

We recommend that you take out external wedding insurance in the event your wedding is cancelled as a result of a matter beyond your control or an act of God.

2.16 Accredited Partner Vendors

KVBR will offer you a range of Accredited Partner Vendors that are approved and authorised to work on our property. KVBR may consider approving an alternative nominated vendor on a case-by-case basis. If we approve your alternative nominated vendor, they must agree to our Accredited Vendor Terms. KVBR can refuse access to any vendors not accredited or approved by us.

2.17 Lost Property

Any items left behind after your event will be held by the Property Managers for 4 weeks following your event. After this time any uncollected items will be deemed abandoned. Items considered to be of value will be taken to the local police station and other items will be donated to charity or disposed of. We do not take responsibility for any lost property by the Hirer and their guests. Any items found and returned to guests will incur a postal charge.

2.18 Ensuring the Property is Left Clean

The Hirer and all their guests are to leave the property in a respectful and neat condition. A final check of the general communal areas to be conducted prior to departure, any decorations removed and furniture to be replaced in its original position. Failure to leave the property in a satisfactory condition may result in a cleaning fee being charged or deducted from your bond. Any suppliers you have engaged to undertake the pack down/ cleaning must also have departed the property no later than your departure time on your final day.

Guests are requested to not move indoor furniture or bedding, as this will incur an additional charge upon departure. Guests must consult management if they wish to move outdoor furniture around the property, and if permission is granted it must be returned to its original placement by the end of your stay.

(i) Confetti

To preserve the natural beauty of the property and specifically the rock cathedral and function area, we do not allow the throwing of confetti. The Hirer must ensure their guests do not throw paper confetti, rice, rose petals, or anything similar in these areas, as they are extremely difficult to clean. Should the prohibition on confetti be ignored, the confetti must be cleaned by the Hirer (and their guest) by 10am the next day or a cleaning fee will be charged. KVBR does however allow hole punched gum leaves to be thrown at the Rock Cathedral as it is native to the Rock Cathedral and can be leaf blown away by the Property Managers.
